

**Naturally
Beautiful.
Built to Last.**

Today, solid wood remains one of the most attractive and cost effective exterior millwork choices for construction projects. And Belco's preservative treated XT Trim is leading the charge. With a 20-year limited warranty, XT Trim products not only provide a beautiful touch to the exterior of the home but also long-lasting peace of mind.

Thicknesses: 1", 5/4", 2"

Widths: 2" - 12"

Lengths: 8' - 20'

Textures: Comb face, resawn face, smooth face, and BrushTex

Ideal for:

- Exterior trim & fascia
- Corner boards
- Garage door liners
- Bellyband
- Rake/frieze board
- Drip edge

PRESERVATIVE TREATMENT - WOLMAN® AG

- A water-based, nonmetallic, wood preservative surface treatment
- Qualified under Window & Door Manufacturers Association (WDMA) Water-Repellent Preservative Treatment Certification Program

FUNCTIONAL

- Available in widths and lengths to meet all your exterior trim needs
- Lightweight for easier installation
- 20-year warranty against rot

COST EFFECTIVE

- Pre-primed, saves time and money during installation
- Metal free, non-corrosive treatment means no special tools or fasteners
- Less costly than cedar, redwood, fiber cement or composite alternatives
- Highly stable, tight-knot, appearance grade SPF substrate reduces callbacks
