

Naturally Beautiful. Built to Last.

Today, solid wood remains one of the most attractive and cost effective exterior millwork choices for construction projects. And Belco's preservative treated XT Trim is leading the charge. With a 20-year limited warranty, XT Trim products not only provide a beautiful touch to the exterior of the home but also long-lasting peace of mind.

Thicknesses: 1", 5/4", 2"

Widths: 2" - 12"

Lengths: 8' - 20'

Textures: Comb face, resawn face, smooth face, and BrushTex

Ideal for:

- Exterior trim & fascia
- Corner boards
- Garage door liners
- Bellyband
- Rake/frieze board
- Drip edge

PRESERVATIVE TREATMENT - WOLMAN® AG

- A water-based, nonmetallic, wood preservative surface treatment
- Wolman® AG is an EPA approved treatment

FUNCTIONAL

- Available in widths and lengths to meet all your exterior trim needs
- Lightweight for easier installation
- 20-year warranty against rot

COST EFFECTIVE

- Pre-primed, saves time and money during installation
- Metal free, non-corrosive treatment means no special tools or fasteners
- Less costly than cedar, redwood, fiber cement or composite alternatives
- Highly stable, tight-knot, appearance grade SPF substrate
